3. Claiming your SURI toothbrush

Once you have completed your switch to a new Starling personal current account, we will send you an email containing a unique voucher code and instructions on how you can claim your SURI toothbrush. When you receive the email from us containing your voucher code, you will be directed to the SURI website to complete your order.

This email will be sent to the registered email address Starling holds for you at the time of this offer period, and will contain information including the expiry date of your voucher code.

Only one voucher code is available per customer under the terms of this offer and you can only benefit from this offer once, even if you close and re-open a Starling personal current account. Voucher codes cannot be negotiated, transferred, or exchanged.

Your SURI toothbrush is provided by SURI and is subject to SURI's own terms and conditions and product availability. We're not responsible for any issues you experience with your SURI toothbrush.

If we withdraw the offer and you've already applied to switch to your new Starling personal current account, you'll still receive the voucher code as long as you meet the conditions set out in these terms.
